How do I register?

Registration can only be done via the Look Good Feel Better website and all players must submit their individual details regardless of which entry option you choose.

- Individual Entry - players pay their own entry fee and register their details, quoting their team name
- Team Entry - a team captain pays the entry fees for all team members and is sent joining instructions to forward to team members
- Claim Team Place - a team member sent joining instructions by a 'Team Entry' captain clicks here to register their details

You will be asked to pay a registration fee which is a direct donation to the charity. Registration is £35 per player.

How many players can be in a team?

The games will be played with a traditional 7 players so a minimum of 7 players are required to make a team but you can register up to 10 players (3 substitutes). There will be a roll-on-roll-off substitution process going on so all players can have equal playing time.

Mixed teams can have a maximum of 3 males on court at any one time, and a maximum of 1 male per court third.

All registering players must be 16+ years of age.

What ability does my team need to be to take part?

Any ability!

Teams will be split into pools on the day, and we will do our best to match teams of similar ability. This is a friendly and fun charity tournament, and we ask that all teams show good sportsmanship and kindness to one another so as to ensure everyone has a great experience.

What happens if I get an injury or can no longer take part in the tournament?

As stated in our terms and conditions, if you can no longer take part in the tournament then you can transfer your place to someone else free of charge. You will need to organise to find a replacement player for your team. Unfortunately, we cannot offer you a refund on your place.
